out darkness; only light
can do that.

Hate cannot drive

Youth and Prevention Committee

Questions:

1. How can we help decrease *the school-to-prison pipeline*?
2. What is the population of Youth not in school?
3. How can we be a part of creating a “*Day Reporting For Students*” when suspended?
4. How can we help with mentoring students?
5. How can we help support and encourage parents participating in student school initiatives?

If I cannot do
great things, I can
do small things in
a great way!

THANK YOU
